### **ABM Expands Presence in Southern California**

SEPT 18, 2012

*ABM, a leading provider of integrated facility solutions, announced that its subsidiary Linc Network, LLC has signed a franchise agreement with RivCo Mechanical Services, a premiere building automation, heating, ventilation, and air conditioning (HVAC) service provider in Riverside County, California.*

NEW YORK, NY -- ABM, a leading provider of integrated facility solutions, announced that its subsidiary Linc Network, LLC has signed a franchise agreement with RivCo Mechanical Services, a premiere building automation, heating, ventilation, and air conditioning (HVAC) service provider in Riverside County, California. RivCo Mechanical Services adds to ABM's already existing presence in Southern California.

In July 2012, RivCo Mechanical Services purchased Kennedy Brothers Air Conditioning, an HVAC service provider for Coachella Valley since 1969. For over 40 years, Kennedy Brothers Air Conditioning has earned a strong reputation for delivering high quality work and exceptional customer service to residential clients, and newly formed RivCo Mechanical Services will specialize in comprehensive preventive maintenance solutions for industrial and commercial clients in the Riverside County area.

RivCo Mechanical Services will be managed by Marvin Scott, Michael Zajac, and Mitch Zajac. Mitch Zajac is well-versed in Linc's proven process as he owns another franchise, Mikkelsen-Coward, located in Winnipeg, MB, Canada and a franchise of Linc Network, LLC since 2000. Marvin Scott has over 30 years in the HVAC business and has been associated with Linc Network for the past 18 years as an accomplished sales professional.

"We are excited about the opportunity to couple Kennedy Brothers Air Conditioning's experience with Linc's proven system to provide RivCo Mechanical Services' clients with the best in building maintenance," said Marvin Scott, President of RivCo Mechanical Services.

As a franchisee of Linc Network, LLC, RivCo Mechanical Services will be joining the other franchisees of Linc Network and its affiliates that deliver comprehensive mechanical and electrical service and preventive maintenance solutions to commercial, industrial, and residential buildings. RivCo Mechanical Services will utilize Linc Network, LLC's business model to provide exceptional HVAC service to their clients.

"We welcome RivCo Mechanical Services to our expanding network," said Bert Kendall, Chief Operating Officer of Linc Network. "With an experienced leadership team, Kennedy Brothers' strong reputation, and our proven system, we believe RivCo Mechanical Services will soon establish themselves within the community and begin to grow their presence in Southern California."
